

Proposition 4 Funding Update

Proposition 4

California voters approved the Safe Drinking Water, Wildfire Prevention, Drought Preparedness, and Clean Air Bond Act of 2024 on November 5, 2024.

$10 Billion in state bonds

1. Strengthen climate resilience
2. Protect Natural Resources
3. Address drought, wildfire & other environmental risks.

DWR
2026 Watershed Resilience Program

Grant program using funding through Proposition 4.

Competitive grants that build on California’s 20-year Integrated Regional Water Management (IRWM) program, informed by results of the in-progress Watershed Resilience Pilot Program and the 2023 California Water Plan.

Tuolumne Stanislaus IRWM

The upper & lower watersheds have formed an advisory group

Currently developing a project composed of six water agency projects throughout the two watersheds

UPUD's proposed project is included in the proposal.
